

SAFETY DATA SHEET

Carell Patient Wipes

According to Regulation (EU) No 453/2010

Issue Date: 16 April 2019

Version Number: 5

SECTION 1: Identification of the substance/mixture and company/undertaking

1.1 Product Identifier

Product Name Carell Patient Wipes

1.2 Relevant identified uses of the substance or mixture and uses advised against

Identified Use Cleaning wipes for skin

1.3 Details of the supplier of the safety data sheet

Supplier GAMA Healthcare Ltd
2 Regal Way
Watford
Hertfordshire
WD24 4YJ
Email: info@gamahealthcare.com

1.4 Emergency telephone number

Tel: +44 (0) 207 9930 035

SECTION 2: Hazards identification

2.1 Classification of the substance or mixture

Regulation (EC) No 1223/2009 on Cosmetic Products
Stop using this product if you develop redness or itching.
Keep away from eyes. If material accidentally enter the eye, rinse well with plenty of water.

2.2 Label Elements

Contains Limonene, Hexyl cinnamal and Linalool

2.3 Other hazards

SECTION 3: Composition/information on ingredients

3.2 Mixtures

Declarable components	Conc. (%)	EC No.	CAS No.	Classification according to EC No 1272/2008
Propylene glycol	≤1	610-038-5	57-55-6 / 4254-14-2	Eye irrit 2
Phenoxyethanol	≤1	204-589-7	122-99-6	Acute tox. 4 Eye irrit 2

Water < 95%

Although individual ingredients may be classified as hazardous, the levels contained in this mixture are not considered to be hazardous

SAFETY DATA SHEET

Carell Patient Wipes

According to Regulation (EU) No 453/2010

Issue Date: 16 April 2019

Version Number: 5

SECTION 4: First aid measures

4.1 Description of first aid measures

Inhalation

Acute effects following exposure to this product via the inhalation route are not anticipated during normal handling and use.

Skin

This product is designed for the body. No adverse effects are anticipated during normal handling and use. If irritation occurs discontinue use, seek medical advice.

Eye

Avoid contact with eyes. Should the product come into contact with eyes, rinse well immediately. If irritation occurs, stop using and consult a doctor when necessary.

Ingestion

This product is for external use only. No adverse effects are anticipated from this formulation via the oral route during normal use of the product. If swallowed, drink plenty of water and contact a doctor.

4.2 Most important symptoms and effects, both acute and delayed

May cause eye irritation

4.3 Indication of any immediate medical attention and special treatment needed

Treat symptoms as they occur.

SECTION 5: Firefighting measures

5.1 Extinguishing media

Water spray, carbon dioxide, dry chemical and foam are compatible with the product. Remove containers from fire or cool them with water.

5.2 Special hazards arising from the substance of mixture

This product is water based, therefore not flammable or explosive.

5.3 Advice for firefighters

Fire fighters should wear an approved self-contained breathing apparatus and full protective clothing.

SECTION 6: Accidental release measures

6.1 Personal precautions, protective equipment and emergency procedures

None anticipated or expected to be required.

SAFETY DATA SHEET

Carell Patient Wipes

According to Regulation (EU) No 453/2010

Issue Date: 16 April 2019

Version Number: 5

6.2 Environmental precautions

None anticipated or expected to be required.

6.3 Methods and material for containment and cleaning up

None anticipated or expected to be required.

6.4 Reference to other sections

For disposal considerations see Section 13.

SECTION 7: Handling and storage

7.1 Precautions for safe handling

None anticipated or expected to be required.

7.2 Conditions for safe storage, including any incompatibilities

Store in a cool, dry, well-ventilated place, away from direct sunlight. Do not allow to freeze. Keep container closed when not in use.

7.3 Specific end use

See packaging

SECTION 8: Exposure controls/personal protection

8.1 Control Parameters

EU occupational exposure limit values – none applicable

8.2 Exposure controls

Engineering controls

None anticipated or expected to be required.

Personal protective equipment

This product is intended for skin use, rinse after use. Prevent eye contact

Environmental exposure controls

Dispose to general waste.

SECTION 9: Physical and chemical properties

9.1 Information on basic physical and chemical properties

Appearance Moist spun-lace wipe

Odour Slight rose perfume

SAFETY DATA SHEET

Carell Patient Wipes

According to Regulation (EU) No 453/2010

Issue Date: 16 April 2019

Version Number: 5

Odour threshold	Not available
pH	ca. 7
Melting/freezing point	ca. 0°C
Initial boiling point/range	ca. 100°C
Flash point	Not expected for water based product
Evaporation rate	No data available
Flammability (solid, gas)	Not expected for water based product
Flammability or explosive limits	Not expected for water based product
Vapour pressure	24 mmHg (25°C) (water)
Relative density	No data available
Solubility	Liquid is water soluble
Partition coef	No data available
Auto-ignition temperature	No data available
Decomposition temperature	No data available
Viscosity	No data available
Explosive properties	Not expected for water based product
Oxidising properties	Not expected for water based product
9.2 Other information	Not available

SECTION 10: Stability and reactivity

10.1 Reactivity

Stable under recommended storage conditions

10.2 Chemical stability

The product is considered stable under normal ambient storage and handling conditions of temperature and pressure. Follow recommended storage conditions detailed on the product.

10.3 Possibility of hazardous reactions

No hazardous reactions anticipated.

SAFETY DATA SHEET

Carell Patient Wipes

According to Regulation (EU) No 453/2010

Issue Date: 16 April 2019

Version Number: 5

10.4 Conditions to avoid

Avoid excessive heat and light

10.5 Incompatible materials

None known

10.6 Hazardous decomposition products

None known

SECTION 11: Toxicological information

11.1 Information of toxicological effects

This preparation has not been tested for its toxicological effects. Based on the safety assessment required for cosmetic products, the toxicological effects are indicated below:

Acute toxicity

Not likely to be acutely toxic.

Skin corrosion/ irritancy

Not expected to cause skin irritation following prolonged or repeated use.

Serious eye damage/ irritation

May cause mild eye irritation.

Sensitisation

No ingredient has been identified as having sensitising properties.

Repeated dose toxicity

No information available regarding repeat dose toxicity

Carcinogenicity

No information available

Mutagenicity

No information available

Toxicity for reproduction

No information available

Carcinogenicity

None of the ingredients have exhibited confirmed carcinogenic characteristics in the evaluation of their toxicity to date.

Mutagenicity

SAFETY DATA SHEET

Carell Patient Wipes

According to Regulation (EU) No 453/2010

Issue Date: 16 April 2019

Version Number: 5

None of the ingredients have exhibited confirmed mutagenic characteristics in the evaluation of their toxicity to date.

Reproductive toxicity

No information available regarding toxicity to reproduction.

SECTION 12: Ecological information

Ecotoxicological data has not been determined specifically for this product.

12.1 Toxicity

This formulation is not expected to be toxic to the aquatic environment.

12.2 Persistence and degradability

No information available

12.3 Bioaccumulative potential

No information available

12.4 Mobility soil

No information available

12.5 Results of PBT and vPVP assessment

No information available

12.6 Other adverse effects

No information available

SECTION 13: Disposal considerations

13.1 Waste treatment methods

Waste disposal is regulated in the EC member countries through corresponding laws and regulations. In the UK we recommend that you consult the List of Wastes available from the Environment Agency. In other countries, contact either the authorities or approved waste disposal companies for advice on disposal of used waste.

This formulation is water soluble, and can be disposed of in general waste.

SECTION 14: Transport Information

Not classified for transport.

SECTION 15: Regulatory information

15.1 Safety, health and environmental regulations/legislation specific for the mixture

SAFETY DATA SHEET

Carell Patient Wipes

According to Regulation (EU) No 453/2010

Issue Date: 16 April 2019

Version Number: 5

This product is classified according to Regulation (EC) No 1223/2009 on cosmetic products.

15.2 Chemical safety assessment

Not available

SECTION 16: Other Information

Revisions

Currently in the fourth revision to conform to new regulations.

Basis of classification

The mixture is self-classified on the basis of available information on the ingredients

This safety data sheet was compiled using the ECHA Guidance on compilation of Safety Data Sheets, Version 1.1, December 2011.
